

No means NO!

When I signed up for the Wisconsin No-Call List, it was because I didn't want to be bothered by telemarketers. At all. Period. If I choose to terminate a business relationship, that's my choice, and I expect it to be honored. No follow-up persuasion calls necessary, thank you very much.

Please allow us the freedom of self-determination, without being second guessed by corporate interests. Do not weaken the Wisconsin Telephone Consumer Protection Act.
